

Employee Retention Credit

GOOD NEWS: THE ERC RULES HAVE CHANGED

The ERC (Employee Retention Credit) offers businesses up to \$26,000 per W-2 employee. And it's now easier to qualify, even if you DIDN'T have a reduction in revenue due to the pandemic. If one of these 5 apply to you, you can receive the funds for your business:

- Social distancing requirements that reduced capacity
- Reduction of hours of operation
- Supply chain disruptions
- Suspended onsite work or client meetings
- Distribution delays or suspensions

We can help! Contact us to find out if you can qualify for these valuable credits from the IRS, and we'll make the process smooth and easy for you.
